

Free Global Citizenship CPD Courses

Booking for Autumn and Spring Term INSET now

Are you seeking to increase your knowledge
of the **Curriculum for Wales 2022**?

Seeking inspiration for **innovative**
and **creative** classroom projects?

Educating pupils to be ‘...**successful learners,**
who play an active part in their community
and wider society, and who are prepared
to thrive in an increasingly complex world.’

(Draft Curriculum for Wales 2022: April 2019)

sazani

Sazani is a registered provider of CPD training for the British Council Connecting Classrooms programme at levels 2 and 3, providing schools with support and guidance in curriculum development for global learning for over twenty years, including the provision of the Healthy and Sustainable Schools Project (HSSP). Further information on the free innovative Global Learning Pathway course is available below.

Level 2

Participation in this course brings 20 years of international award winning, cross-curricular links and curriculum development between teachers and schools in Wales and the global South into your classroom, and is designed for teachers with some knowledge of global learning.

Course delivery and workshops available over three two hour sessions or one full day.

Level 3

This interactive, level 3 course will broaden your horizons beyond traditional learning environments whilst developing your global learning skills, enabling you to become active and motivated as a global learning educator and motivational mentor to your peers, and is designed for teachers who have considerable knowledge of global learning.

Course delivery and workshops available over six two hour sessions or two full days.

Welsh Curriculum Review

Seeking to develop your knowledge of the Curriculum for Wales 2022?

Our new level 2 and level 3 courses have been specifically designed with a focus on the Welsh dimension and international perspective and human rights education and the United Nations Convention on the Rights of the Child as outlined in the new Curriculum for Wales 2022. Current guidance from the Welsh Government is utilised throughout the Global Learning Pathway to help prepare schools for upcoming changes and cross-curricular integration of Global Learning.

‘The four purposes of the curriculum support learners to grow as healthy, confident individuals who are able to build relationships based on mutual trust and respect, and develop their mental and emotional wellbeing by developing their resilience and empathy.’
